Transitions:

After 14 years with UCONN Health, Hillary Stevens is retiring effective March 1, 2026. We wish you all best!

Safety Alert:

The Department of Administrative Services and their Security Team have notified state agencies that they have received numerous inquiries and reports about scam phone calls targeting State employees. In these cases, the caller falsely claims to represent the State of CT Retirement Division. Please review this [DAS/BITS IT Security scam alert](#) for more information and what to do if you receive a call. Please contact the Department of Human Resources at 860-486-3034 or Benefits@uconn.edu with any questions.

Career Progression Notice:

You all may have seen the notice from HR Wednesday February 4, 2026. The notice stated that after careful consideration and consultation with university leadership, salary increases tied to career progression will not be approved for the March 2026 period due to current fiscal constraints. With that said, the application period will still be open from March 1, 2026, to March 31, 2026 and employees are encouraged to still apply. Supervisors and managers will review and evaluate all applications, and any that meet the advancement criteria will be held for consideration in September 2026 or a subsequent application period. These applications will not need to be resubmitted.
